VIRGINIA HULBERT

As the fiery ball approaches the mid-point of the horizon, Wausau Senior Hi students, following a tradition as ancient as the exotic land of Arabia, seek respite from the day's toil.

Dear Miss Hubbert,

I really enjoyed the Latin Class this year and I'm sure it was because of you. I wish you all the Luck and success possible.

Esteemed and Learned Reader, — You will be astonished to see yourself addressed by one, of whose existence you are entirely unaware!

Listen to me as I Hajji Baba, relate occidental adventures. Link thine hand with mine as we fly on the mighty magic carpet, leaving behind bobbing camels in the narrow streets of ancient Arabia. Onward we traverse like the simoon of the desert over oceans of water to a country vast and unknown to me. I believe by the Ineffable Name, which is the seal of Solomon, that I have never beheld in all my days so wondrous a marvel as this city with its teeming millions. (It must be New York) Over mountainous heights and rolling plains we travel. Now we are blinded by smoke which rises in a thick black column spreading like Mohammed's cape between earth and sky. Emerging from the mist, we arrive within sight of a building, nestled in the heart of a thriving community on the banks of the beautiful Wisconsin river. Behold

Hajji Baba views the . . .

Gathering of the Clan

Motivated by curiosity and having read and heard so much about Wausau Senior High, I decided to view these wonders with my own eyes. Listen, as I speak!

I, Hajji Baba, saw students rise earlier than the sun itself and effect their tortuous passage to this temple of learning. Inside this building students were struggling with complicated locker combinations and making a last attempt to beat the tardy bell. There were five minutes of peace and solace; then I had to seek refuge under the monitor's desk from the multitudes of rushing students. This incident was repeated four times each morning at fifty minute intervals. Finally the fact penetrated my cerebrum

wonders at W. H. S.

that these scholars had a method in their madness. They were going to classes!!! I was amazed thoroughly at the broad scope of classes and activities offered at W.H.S. As the sun approached its zenith, I made my way to the subterranean dining hall where teachers and students devoured food and drink. The remainder of the day was spent in an activities period and classes. Then as the black veil of night enveloped the sky, I was jostled about by myriads of students in search of recreation. We arrived at the Y. M. C. A. where sheiks and maidens were partaking of festivities. Behold, a typical day at W. H. S. . . .

MARY UMHOEFER
M.A. Wisconsin

As the years spin a web of golden thread about our memories, the people who linger in our thoughts longest are those who have given unselfishly of their time and energy. Such a person is Mary Umhoefer. Almost every opportunity was afforded her during her childhood in Colby, Wisconsin. Her interests followed the path of music, and she spent many hours practicing on her baby grand piano. After Miss Umhoefer's graduation from the College of St. Theresa, Winona, Minnesota, she taught at Crivitz, Wisconsin.

Later she received her M.A. degree at the University of Wisconsin. In 1942 Miss Umhoefer became a member of our faculty. Teaching algebra and Latin occupy most of her time. However, declamatory work is her special extra-curricular activity. Miss Umhoefer's spare time is spent reading, sewing and fishing. Her dynamic personality, cheery smile, friendliness, and versatile talents have made her an admirable and endearing person. To Mary Catherine Umhoefer we, the senior class, proudly dedicate this 1948 WAHISCAN.

Our vice-principal, E. A. Roeske, a graduate of Ripon College and Columbia, M.A., likes the spirit and cooperativeness of W.H.S. students. He is especially proud of our loyal corps of fellow workers. Careless students who are constantly changing their programs are his pet-peeve. His "Extra curricular activities" include color slides, home movies, and stamp collecting. Mr. Roeske's words of wisdom to students are: "Apply yourself more diligently to studies and develop your personality in preparation for your career."

Superintendent of Schools

When Hajji Baba was only a mere boy, G. W. Bannerman, our Superintendent of Schools, was working for his B.A. degree at Lawrence College. Later he pursued a course of higher education, receiving his M.A. at the University of Chicago and attending summer school at Colorado State College. The former senior high principal is impressed most by "the splendid, cooperative spirit of the student body" here in our school, although he believes that students should do a more thorough job of studying and take a greater interest in the welfare of the student body as a whole.

If you happen to catch the president-elect of the Wisconsin Education Association in one of his rare free moments, you will probably find him enjoying one of his numerous hobbies, which include movie taking, reading, travel, and fishing. His advice to high school students: "Upon leaving school be prepared to meet and be glad to accept the responsibilities of your democratic society."

The Student Council, formed to promote a spirit of school cooperation, secures direct participation of students in the government of our school affairs. The executive committee, consisting of a president, vice-president, secretary and various commissioners of finance, social affairs, and publicity have many duties to perform. They sponsor the all-school dances, football and basketball hops, school assemblies, elections, pep sessions and drives for the scholarship fund. They are truly a democratic group who promote the best interests of our student body.

... Custodians of 1948

The custodians are an extremely important part of a school staff, for students' and teachers' spirits are aided by a clean building and campus. Our senior high school is very fortunate in having an outstanding staff of custodians. However, we have become so used to their familiar figures that we are apt to forget the extent of their duties. By far the largest single task is keeping the school clean and in good condition. Our senior high has a reputation for cleanliness that is truly outstanding, and this is a credit to the entire school. The custodians also supervise the erection and dismantling of the basketball bleachers, besides working on the football field and at the games.

While we students are out enjoying our vacations, they are hard at work repairing the school building, painting, varnishing floors, and doing odd jobs on the room equipment. Each of them has a two week vacation during the summer.

In our excursion into the huge, dark basement under the new building to find the Chief Custodian, Harvey Ramthum, we discovered quite a few interesting facts. The men custodians work rather long hours — from 6:30 A.M. to 5:00 P.M. And during one year the immense furnaces con-

Quill and scroll honors nineteen journalists

On Thursday, March 4, 1948, nineteen journalists were initiated into the Wausau Chapter of Quill and Scroll, honorary society for high school journalists. No, they weren't selected by Haji Baba, but by Mr. Rosenbauer, Mrs. Schuerman and Mr. Dzuby, heads of the publications department, on the basis of their work along journalistic lines. A candidate for membership must be a junior or senior, must have done outstanding work in journalism and must be in the upper third of the class. This is the highest award that can be given to journalists, and all members receive pins for their achievement.

THE PIED PIPER OF HAMELIN

"The Pied Piper of Hamelin" was presented by the combined choir and glee clubs March 1 and 2. These groups were under the direction of Miss Josephine Darrin. All elementary school children attended the afternoon performance on Monday and the general public enjoyed it Tuesday evening.

The setting of the opera was in the sixteenth century in Germany. The story is conveyed in three acts of the famous Browning story of the Piper, who appeared and delivered the city of Hamelin from a scourge of rats.

"Bring back the children, pleads the lame boy.

Friday, 3:30 P.M.! Hajji Baba gleefully enters the sixth period classrooms and asks the teacher that important question, "How many?" The teacher glances about the classroom and replies "Oh, about 31." Approximately five minutes later, 30 SKYROCKETS walk into the room. A sigh of anticipation is heard from the occupants of the room. The suspense is enhanced by the instructor's insistence of teaching those last minute de-

tails. Then the students receive their SKYROCKETS. Looks of delight, surprise, and embarrassment register on the faces of the readers. This same scene occurs every three weeks. But we all fail to realize the effort on the part of the staff and the adviser so that we can enjoy ten minutes of the latest school news and gossip. Congratulations to this year's editor, Glen Semmens, to the adviser, Mr. Scheurman and all the other major editors!

Wahiscan Assistants

"The path of work is for the active!" No one knows this better than the WAHISCAN assistants. When the sectional editors are working furiously to meet their deadline, the reserves are called in to write copy, type, and in short, be useful. Some of these assistants who are underclassmen will receive major assignments on the 1949 yearbook.

Camera Club

This past year the camera club has broken away from the chemistry club and now functions as a separate unit under the leadership of our faculty shutter-bug, Mr. Ward. The purpose of the club is to arouse an interest in photography. Demonstrations by members and films comprise the meetings. This year several contests were held.

Again this year the student council undertook another project for the purpose of raising funds for scholarships and various other charitable organizations. The council sponsored a salt water taffy sale and was very successful in selling 4,425 pounds. Carol Mularkey became a supersaleswoman by selling 155 pounds. Art Club

We have many talented artists in our school who formed the Art Club to develop their ability through mutual interests. Besides doing artwork, they discuss such things as color and design. Dick Hellbake served as president, Mary Jackson as secretary, and Carol Mularkey as treasurer.

Biology Club

The Biology Club meets every first Wednesday of the month. The programs include movies, slides and talks given by people in various biological occupations. Pat Schneck, Arthur King and Jo Ann Saari were elected president, vice president and secretary-treasurer respectively. Miss Tobey was the advisor of the club. Waugonian Council

The Waugonian Council has a threefold purpose. It helps to supervise and increase the Waugonian scholarship fund, it aids needy boys and girls to continue their education, and it helps to provide a social program for all girls.

The Waugonian Council is composed of a representative from G.A.A., Senior and Junior Gregg, the Home Economics Club and the Student Club. The meetings are held at regular intervals throughout the school year.

Badger State

The Badger Boy's and Girl's States were attended by the above group of senior high students. Girl's State was held at the University of Wisconsin where the girls stayed at Chadbourne Hall, the first women's dormitory on the campus. The boys were stationed at Ripon college. The activities included mock elections, visits to the capital, a mock court session, lectures, and text on the principles of good government. Badger State is held for one week during the summer.

The political discussion club, which was recently organized, affords all students who desire, an opportunity to express their opinions and thoughts on the main topic of the day. Some of the topics discussed were: Universal military training, political parties, and the Greek issue. This club meets every other Wednesday with Bill Hart presiding as president, Virginia Block, vice-president, and Althea Block, secretary-treasurer. Miss Bjoikeland acted as adviser.

Y. M. C. A.

The Y. M. C. A. clubs composed of the Hi-y, Torch, and Olympian representing the senior, junior, and sophomore boys respectively engaged in a wide variety of affairs this year. One of the most important activities of these clubs is sponsoring the weekend dances and hops held after basketball games. They also award scholarships and engage in inter-club basketball and baseball.

Miss Hulbert,
I must confess that you
have really given me a
more firm understanding of the
Latin language and that
I found it most enjoyable.
Best wishes for the future.
Yours truly,
Walter Bissell Jr.

The Y. W. C. A. clubs are open to all girls in Senior High. The sophomores, juniors and seniors form separate clubs and meet after school one day a week. Each club elects representatives to Kitchen Cabinet which plans meetings for the Student Club. The clubs plan their own meetings and have bowling parties, sleigh rides, and spend a weekend at the Y. W. C. A. lodge.

Tophatters

Again this year our Tophatters have developed into one of the best high school swing-bands in the state. Playing for school assemblies and dances took up much of their time. Their biggest engagement was playing for the Waugonian Scholarship Fund where they exploded with such "jazz" hits as "Harlem Nocturne," "Minor Goes a Muggin," and "It Must Be Jelly." They also gave out with some nice slow and sweet arrangements of "Laura" and "Stormy Weather," featuring the voice of Shirley Buetow, their newly added vocalist. The thirteen piece orchestra spent twelve

weeks at St. John's Military Academy near Delafield, Wisconsin, last summer where they played for all the dances and social events.

Monitors

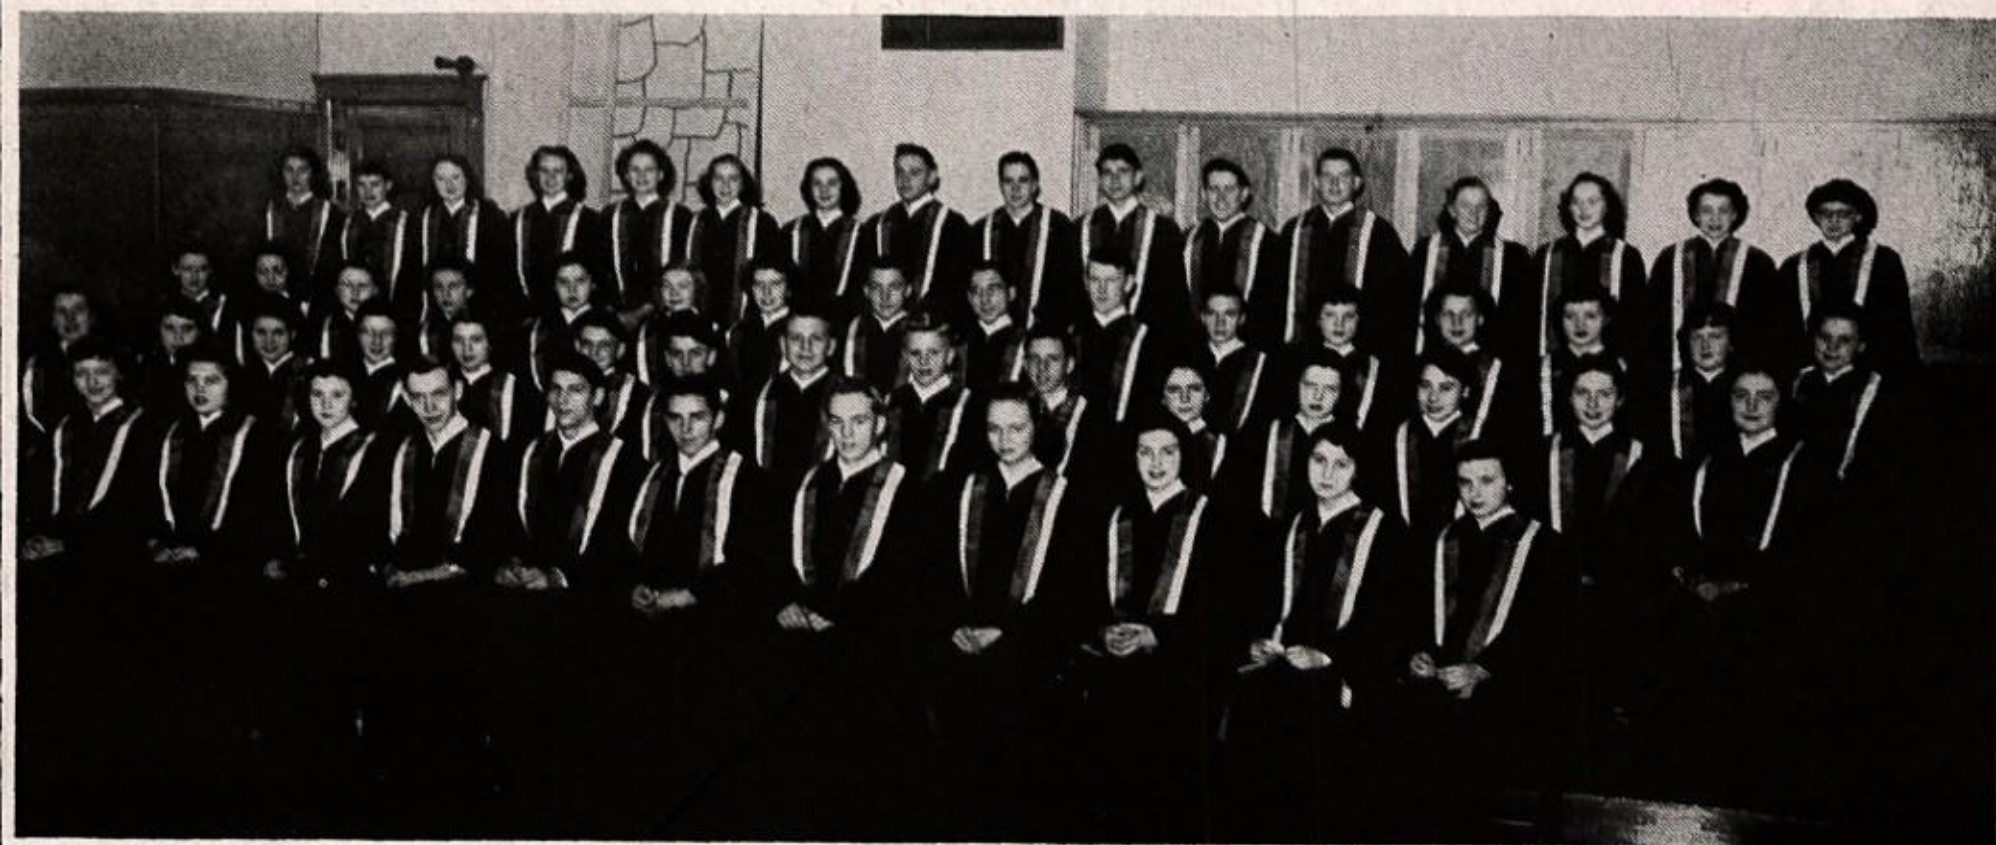

The girls and boys stationed on each floor of our school are not there merely for the sake of appearance. They voluntarily help to collect green passes, deliver mail, distribute absentee lists, and perform various other duties which aid our school. These helpful citizens are known by the name monitors. They are a very important agent in our smooth functioning school system.

Choir

The high school choir, including the fourth period girls and the third period boys, are under the direction of Miss Josephine Darrin. The choir was called upon for many presentations of their ever favorite selections. They worked along with the girls' glee club to present an opera, "The Pied Piper of Hamelin" this spring. The Christmas program was another of the year's special events.

Girls' Chorus

The girl's chorus, which is made up of the second period class, participated in many of the annual music events with the choir. They also gave a special program for the Rotary Club during the Christmas season. These beginners in the school music department have included in their group many girls who become outstanding singers.

Spanish Club

"Manana" is probably the most popular Spanish word heard at our meetings. The members of this club enjoyed interesting discussion periods, singing of Spanish songs, plays and games familiar to that nationality also. The Christmas Party of the combined language classes was one of the major activities of the year. This club elected Jamie Franke as president, Barbara Best as vice president, and Joanne Lund as secretary. The advisors were Miss Bonvinch and Miss Frederick.

French Club

If you happened to have peeked into room 305 one activities period last fall and saw a replica of a French sidewalk cafe, rest assured that your eyes were not deceiving you. It was just a meeting of the French Club, and they were having a "party" in a typical French style and language. This club studies French culture, music, and practice their grammar by playing games and producing French plays. Its officers, elected by the members, were Jane Richardson, president, Sidney Orth, vice-president, and Joan Heimann, secy-treas.

German Club

Bitte reichen Sie mir ein bischen Sauerbraten, Hassenpfeffer, Bratwurst, Gemuse, Kase-Kuchen, und ein Stein Bier. Nun haben wir gemutlichkeit zusammen. This is typical of eine alte Deutsche mahlzeit. The German Club, advised by Miss Elda Bonvincin, have an opportunity to learn more about Germany and its many customs every third Wednesday. An original skit, "German Traces in Wisconsin" was the highlight of the year.

Latin Club

The Latin Club, dealing with the most universal of languages especially in the sciences, might have its members called "globe-talkers". The club enjoys plays, songs, games and discussions during meetings. Roman life and mythology are delved into frequently. The officers of the club are: Arthur King, president; Bob Osswald, vice president; Donna Decker and Mary Jo Cassidy as secretaries; and Andrew McEachron as treasurer.

Chemistry Club

To understand more thoroughly the principles of chemistry and to appreciate its many common applications, are the objectives of the Chemistry Club. Their meetings consist of demonstrations, experiments, lectures, group discussions, and movies. Frequently they have lectures by guest speakers from different city departments. Thad Krysbak, Vivian Kukulka, Pat O'Leary, and Jerry Radtke comprise the board of officers for this club.

Mathematics Club

Know how to operate a "Slip Stick"? If you don't, a member of the Math Club will be glad to show you how to manipulate a slide rule. Radio Club

To us, the radio is just a means of listening to Sam Spade, License No. 17596, Arthur Godfrey's Talent Show, or our favorite disc jockey. But to the members of the Radio Club it represents a complex mechanism of dials, coils, condensers, tubes, and many other parts. These people engage in the study of radio theories, diagrams, and simple radio code units and learn the Morse code. This club is under the guidance of Mr. Berg, and its president is Harold Leland, vice-president is Elroy Allain, and the secretary is Lyle Fuller.

Ski Club

This past year has been a wonderful success for the Ski Club. Their meetings, which were held every Thursday night after school, were spent in discussing ski terms, for instructing enthusiasts in the proper use of equipment, and by the use of visual aids to give lessons on the execution of many turns and styles, as demonstrated by some of America's most talented skiers. This club was guided by Kenneth Cormack, president, Ronald Mathwick, vice-president, and Suzane Febland, secretary, Miss Bonvincin assisted as club advisor.

Driver Training

More and more high schools are coming to realize the need for a comprehensive driver training program. Our own high school now offers two courses on the subject. Sophomores are required to take an educational course learning the principles of safe and sane driving.

Seniors may elect to take an actual "behind the wheel" course in the schools' dual-control training car, donated by the Beilke garage. Mr. E. L. Keeler and General Harry Wohlfabrd.

Book Club

The Book Club was started by those students in school who wish to read and review the various best-sellers of the year. The officers are Mary Jackson, president; Mary Douville vice-president; and June Peters, secretary-treasurer. This is a newly organized club, but it thrives on "digesting" books. Miss Burkhart has been the advisor.

Uthrotar

Uthrotar is a group of boys chosen from the school, on the basis of (1) leadership, (2) service (3) scholastic achievement, (4) participation in our school program, to attend luncheon meetings of the Rotary Club. Two boys are chosen for each calendar month. After attending for a period of a month, the boys give their views of the club.

Basketball Hop Committee

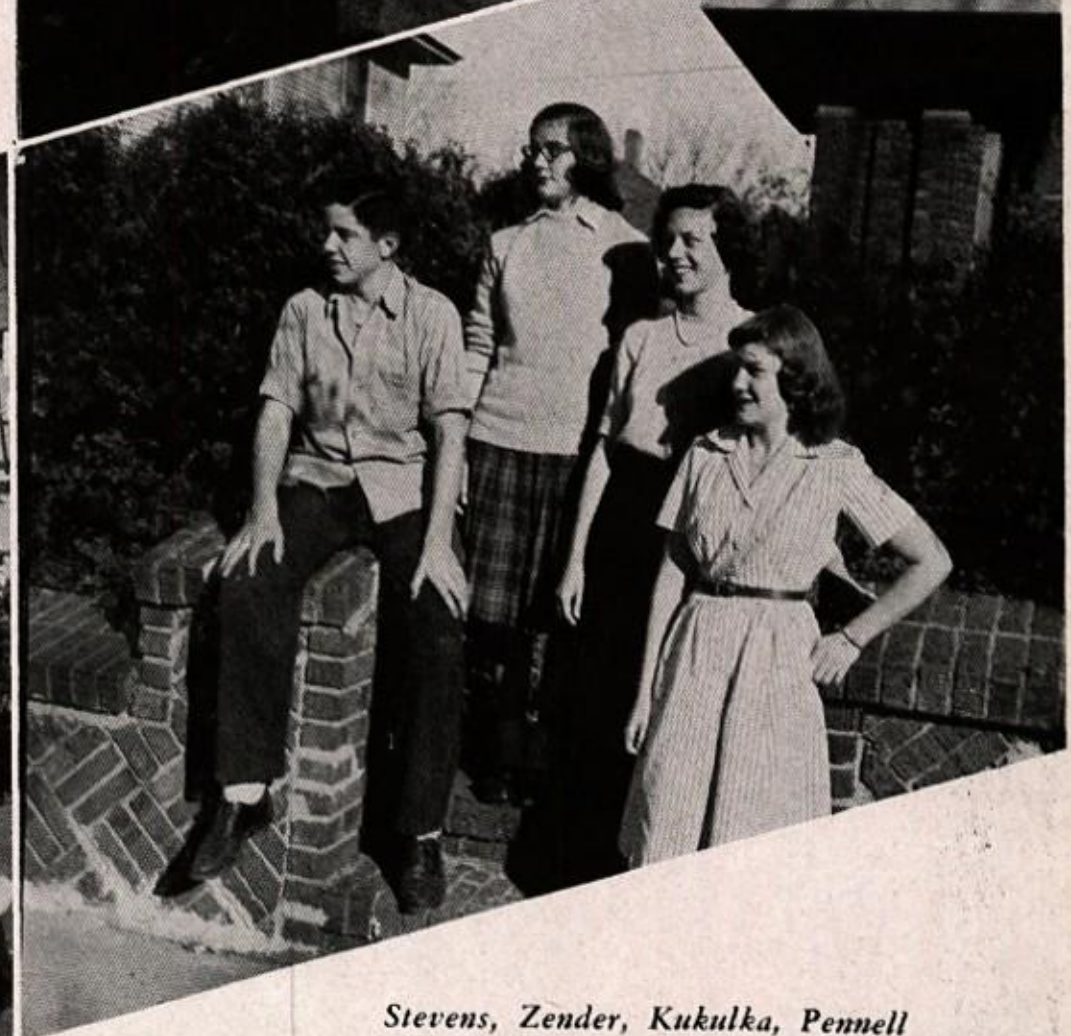

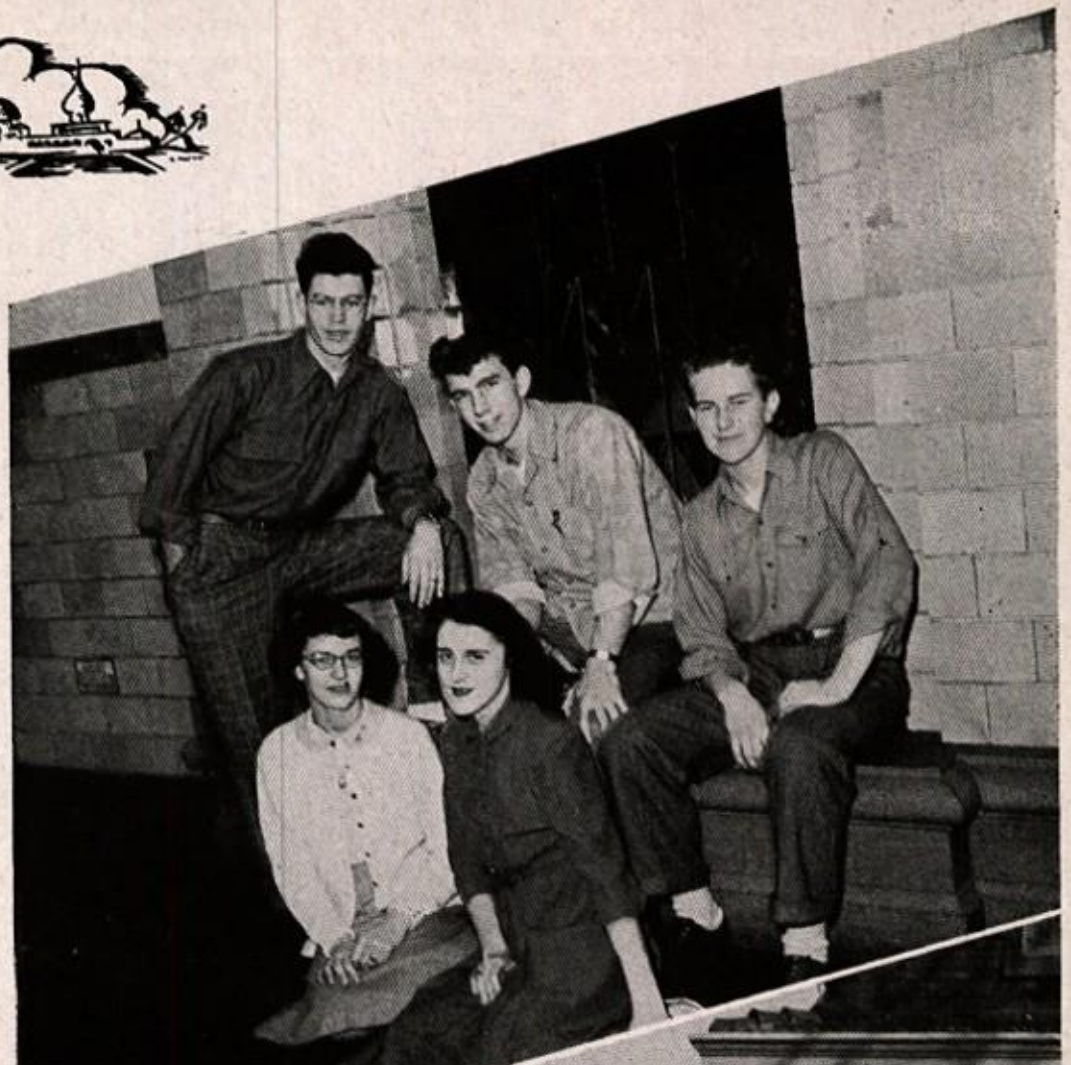

The Basketball Committee is composed of the Senior Y.M.C.A. and Y.W.C.A. clubs. By sponsoring dances they are providing funds which will be presented to some outstanding student at the graduation exercises in the form of a Hi-Y scholarship. Besides this huge project they plan worthwhile recreation and entertainment for you at the nominal fee of twelve cents at their dances.

Hep Club

Again this year Hep Club, the danceland for hundreds of high school hepcats, was a huge success. With music furnished by juke box or by our own Tophatters, it afforded all students a Friday-night haven for good, wholesome fun. The Hep Club committee was under the direction of Jim Skinner.

Pep Club

When there is an unusually good attendance at assemblies on a Friday afternoon the reason is usually a pep meeting. The club that brings us these pleasant pep sessions is the Pep Club, advised by Mr. Woods. Its members do their best to get our school spirit built up to the point where we must "Win this game or die". They also plan Hobo Day and the activities for homecoming, one of the year's biggest events.

Celestial music fills the air . . .

Band . . .

There is no doubt that the band, under the able direction of K. R. N. Grill and Mr. Gene McDonald, was tops this past school year. Hearing them play for football games, basketball games, and pep sessions, we learned to appreciate the work of a good school band. Their aim, after learning the music, is to develop and attain an understanding of and appreciation for good music. All the practice in marching proves very effective when our band is displayed at school activities. The crisp, clean cut uniforms of the band, the gay colors of the twirlers and color bearers.

Orchestra . . . ♦

Our orchestra spent a great deal of time in preparation for the numerous concerts they gave. Their first engagement was on Washington's Birthday. During the year they have mastered such compositions as Chopsticks, Titus Overture by Mozart, Romance, Jean de Baris Overture, and Port Royal, a Folksong Suite for Strings. They competed in the band and orchestra tournament which was held here in Wausau on April 23. Mr. Grill has devoted much of his time and energy to this work, and we may truly say that his efforts have encouraged a fuller understanding of classical music.

Vocal Music Club

"Like as to the melodious music which pervades the courtyards of ancient Arabia." This phrase most aptly describes the impression we receive as we listen to the harmonizing voices of the Vocal Music Club. It gives all the Frankies and Dinabs of our fair school a chance to exercise their vocal chords. They could raise the roof off the old building (which might prove a pleasant and not too difficult task) if they so pleased.

When we hear the members still singing in the halls after the meeting, it is proof they have enjoyed themselves. Among the songs sung are various classics, folk songs, popular ditties, and rounds, which are favorites with everyone. Under the direction of Miss Darrin, with David Bliese as president and Alice Petzold as secretary, this club gives all students an opportunity to sing together.

Library Club

Books, magazines, fines — but this is not all. As adviser, Miss Emma Larson guides the members of the Library Club in becoming acquainted with library work, and together they try to solve many problems involved. Reorganization of the magazine room materials is a special activity. For officers, the Library Club elected Bettie Plantiko as president and Helen Reinecke as secretary. To show that library club members do have fun, they enjoyed a sleigh ride party on December 8.

Instrumental Music Club

If you indulge in the classics or boogie, and enjoy browsing within the realm of music for a pastime, then the Ins:rumental Music Club is just what you've been looking for. The purpose is to survey music of all kinds, serious as well as light, to encourage listening to worthwhile music as a pastime, and to extend the appreciation of popular form in music. To accomplish this, the club listens to recordings. This year,

they were privileged to hear the Junior High Orchestra and Mosinee High School Band in a concert of inspirational value to all music lovers. American composers, their lives and works are also one of the points emphasized. These programs are arranged by the program committee with Jack Baerenwald as chairman and Robert Garske, Donald Berg, and William Plier as his assistants. Herr K. R. N. Grill guides the club.

Activities Photographers

Look straight at the camera, please. Don't move! — All right, next! Sound familiar? It should, for it's the voice of the activities photographer you hear. You know the ones I mean. Those lucky guys that get out of all their classes in order to take all the pictures of the members of the activities association, and also so that the office receives a photograph of all incoming sophomores. This group makes all arrangements, takes the pictures, and develops and prints the photos of some 1450 students.

Truth survives for evermore

The game of kings, queens, knights, bishops, and the whole court seems to have drawn a number of avid admirers. Of course, I mean the Chess Club which meets every Wednesday right after school. It is under the guidance of Mr. Roeske and has for its president Jack Skeels. The members must be regular sharks at it — so I'm warning you, if you know how — you better ask if your

opponent is a member of this famous Chess Club. The debate squad this year has had the most successful season in the history of the high school. There were two squads, the sophomore and the varsity. The total number of debates they took part in was thirty-two. Of these they won twenty-five. This is an outstanding record since no member of the squad had taken part in debates before.

Fourteen students were selected in the home speech contest to represent Wausau in the league forensic tournament at Antigo. Of these fourteen, seven were awarded A ratings, giving them the right to compete in the district meet held at Stevens Point on April 2. These seven were John Holmes, Jo Ann Saari, Tom Bauer, Jamie Genrich, Arthur King, Carol Dana, and Kent Herath.

Of these seven, Holmes, Bauer, Genrich, King, and Herath received A ratings, giving them the right to compete in the state finals at Madison on April 24. Coaches this past year were Miss Zielsdorf, Miss Bjorkland, Miss Umhoefer, and Mr. Marquardt.

Stenographers are born

The Junior Gregg Club stresses the importance of personality in the business world. The officers are president Jeanette Kalbes, vice-president Phyllis Kordus, and secretary-treasurer Carol Peters.

Do you like heavenly bodies? The astronomy club does! Meetings are devoted to discussions on stars, planets, constellations, and — well, all the heavenly bodies. David Peterson is president, with Eugene Detjens, as vice-president, and Pamella Timm as secretary-treasurer. As advisor, Mr. Ridge can point out many reasons for studying the stars — ask him!

On the evenings of April 19 and 20, a new idea was introduced with the one-act plays. Instead of giving three plays, only two were presented, and, as an interesting side attraction, two specialties were given. The plays were "High Window," a psychological mystery about an aunt who dominates her nephew, and "A City for Josette," the story of a French girl who lives in the pioneer days of Wisconsin. The between act specialties were "Syncopated Justice," a skit done in rhyme, and Wisconsin Ballads, which celebrates the Wisconsin Centennial. As directors, Mrs. Rost and Miss Halsor did a grand job of combining these acts together in one presentation.

Legion oratory . . .

This year marked the revival of American Legion oratory at W.H.S. The last appearance of a Wausau High school student in this event was in 1944, up to which time our school had acquired a very distinguished record by winning two first and two thirds in the state, one third in the mid-west and national finals.

Kent Hera'b, who competed this year, has added another feather to this amazing record. Kent, with his original oration, "The Constitution, Temple of Liberty" won first place honors at home, in the district meet at Stevens Point, and the semi-finals held here at Wausau where he competed against orators from Appleton and La Crosse. He then went to the state finals at Kenosha where he placed third. His appearance was sponsored by the American Legion.

DRAMATIC MOMENTS

"Slice It Thin," the play presented by the Senior Class of 1948, was really a huge success. This hilarious farce-comedy drew many laughs from capacity audiences November 24 and 25 in our Senior High auditorium by its fast pace, clever dialogue, excellent characterizations, amusing stage business, and general smoothness. The story included such eccentric characters as a "mad Russian actress," a rather "foggy" photographer, and a little southern belle who never forgot.

Each year the senior class proves itself the equal of any previous class in presentation of these plays. The play was under the direction of Lillian Ford, with Armilla Walsh supervising properties and costumes and Mr. Gjetson advising the stage crew.

Conservation Club

The main purpose of this most important club is to develop the four hundred acres of land composing the school forest and to make improvements on the club house. The members of this club take pride in their big project of planting 30,000 trees each spring in order to replenish our forests which are slowly but surely dwindling—soon we will have no paper to write our tests on—what a catastrophe!!! At their meetings they discuss conservation problems, have speakers, and show movies on the conservation of wildlife and of our forests. This club is guided by Donald Hahn, Jerry Staves, Donald Riley, and Vernon Stanton, and is advised by Mr. Burton.

Home Economics

"The way to a man's heart is through his stomach," so they say. The members of the Home Economics Club learn to cook, to sew, and to develop abilities which a successful housewife must possess. Under the guidance of Miss Gliszinski, they enjoy learning by doing. They meet the second Wednesday of each month. One of their specials this year was a cosmetic party which everyone enjoyed and from which the girls learned the use of more practical cosmetics for young ladies.

PROM ADVISERS

Junior Prom was again one of our most remembered events of the year. The music was furnished by Orville Bathke and his band from Milwaukee. Balloons, freaks and merry-go-rounds gave the impression of our most beloved circus coming to town. Our King and Queen reigned with glory while soft music, flowers and gaiety added to the enjoyment of all Prom goers. The committee members, plus our King and Queen presented a very attractive Grand March. The advisors for the Prom arrangements were Mr. George Johnson, Miss Reiss, Miss Zellhoefer and Mr. Gjetson. Many parents and friends were present to watch the festivities.

Remember homecoming? A gay event for all of us, with the snake dance, bon fire, another Hobo Day, and another victory for our team and school. The best bums were Jerry Heidemann, Jane Richardson, Raymond Knippel, Virginia Bloch, and Dave Pieper.

Conquering Chieftains

The Ball no question makes of Ayes and Noes,

But Right or Left as strikes the Player goes;

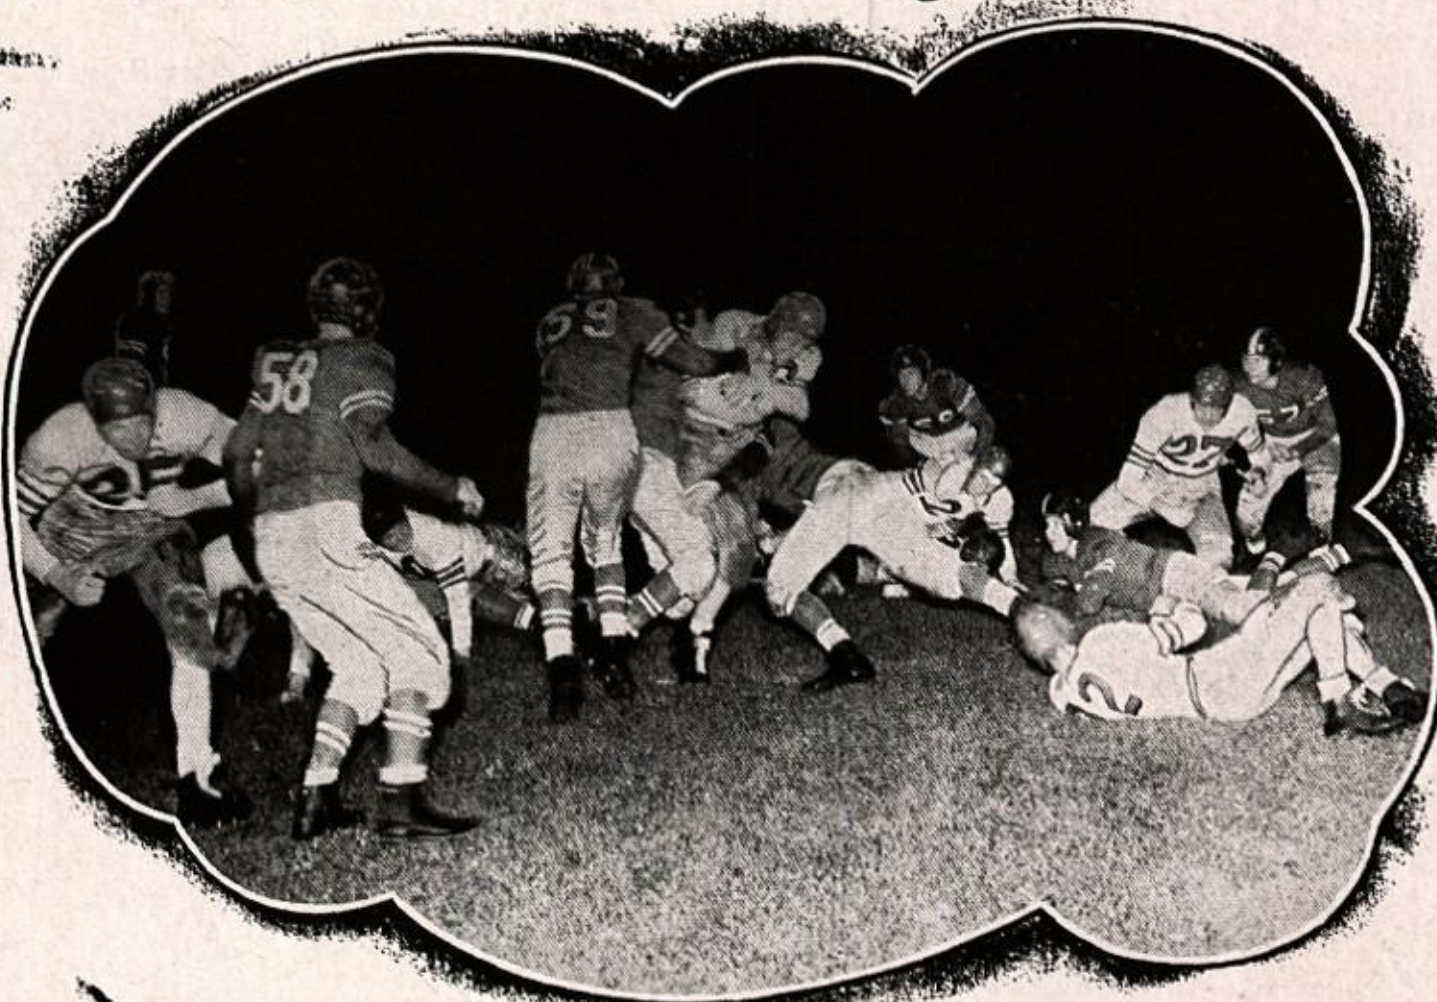

And He that toss'd you down into the Field,

He knows about it all — HE knows — HE knows!

I've really enjoyed being in your class this year and I'll look forward to coming back next year. I feel that Latin has really helped me a lot already with English vocabulary and my Spanish seems comparable to English now. However, I still say "son" rather than "sum".

Sincerely

WAUSAU 35 - LA CROSSE 6

The Wausau Lumberjacks crushed the La Crosse Central eleven by a score of 35 to 6. The Jacks won the toss and elected to receive. From here on it was Wausau's ball game. Bliese scored after three minutes of play and was soon followed by Streblow. In the second quarter Streblow again tallied on a line plunge. Later in the second period Kittel scored on a fast quarterback sneak. The third quarter was highlighted by a 25 yard touchdown run by Wally Schoonover. Streblow made a conversion after each touchdown and racked up a total of 17 individual points. In the last period Central scored its only touchdown when Captain Smevog fell on a blocked punt in the end zone.

WAUSAU 26 - WISCONSIN RAPIDS 6

In our most important game of the year, the Lumberjacks edged out their traditional rivals, the Wisconsin Rapids Red Raiders, by a score of 26 to 6. Alls scored during the first three minutes of play on a 62 yard end run. He was soon followed by Bliese and Streblow, the latter also kicking two extra points. Bliese got off two exceptionally fine punts, which averaged 57 yards each. Streblow scored twice — once in the first and once in the third period. Bliese's touchdown came in the last quarter on a line buck. Halfback Johnson scored for Rapids in the fourth quarter, giving the visitors their only points.

WAUSAU 7 - STEVENS POINT 7

The toughest grid battle of the season for the Jacks was the Stevens Point game. Wausau fought its way to a 7 to 7 tie against the scrappy Panthers. Stevens Point scored in the second quarter on an end run. The kick for the extra point was good and the Panthers led 7 to 0, a score which they held during the first half. Wausau came back in the third quarter when Alls carried the ball over the line for six points. Streblow's kick from placement was good and the score stood at 7 to 7. The fourth quarter was marked by superb line play on the part of both teams.

WAUSAU 40 - MARSHFIELD 0

The Jacks chalked up their 55th consecutive conference victory by swamping the Marshfield Tigers in a homecoming tilt, 40 to 0. Wausau scored early in the game when Streblow threw a thirty yard pass to Jim Thompson who raced over from the five. In the second quarter, Rollie Streblow ran 54 yards to score on a double reverse. Rollie scored again when he intercepted a Tiger pass on the 35. Alls raced around left end for 59 yards and six points in the third quarter. Schoonover scored on a reverse from 9 yards out. In the last quarter, Ronnie Hoenisch knifed through right tackle and into the end zone. Wilke passed to Rummel for the final point of the game.

WAUSAU 47 - ANTIGO 0

A crowd of 5,000 Dad's Night spectators watched our gridders crush the Antigo Red Robins in the last home game of the season. The Jacks took over on an Antigo punt and Streblow scored on a 43 yard run. Later in the same quarter, Streblow took to the air, pitching a pass to Thompson in the end zone. Streblow converted on both T.D.'s and the score stood at 14 to 0. In the third quarter, Bliese crashed over right tackle for six points. Streblow again converting. Later, Streblow flipped a short pass to Kittel in the end zone. Homnold intercepted a pass on the 35 and tallied. In the final stanza, Schoonover scored on a long end run.

WAUSAU 14 - RHINELANDER 6

Displaying unexpected power, the Rhinelander Hodags scored early to lead the Jacks 6 to nothing at the end of the first quarter. The home team held their lead until the third quarter when Rollie Streblow tallied on nine-yard end run. Streblow then kicked the extra point and Wausau led 7 to 6. In the fourth quarter, Dave Bliese intercepted a Rhinelander pass on the 25 yard line, putting the Jacks in scoring position. Our second touchdown came when Ellis Allds raced around left end from the 5 yard line, making the score 13 to 6. Streblow again kicked the extra point and the score stood 14 to 6.

WAUSAU 33 - MERRILL 0

The Lumberjacks ended their 1947 conference play by defeating Merrill 33 to 0 and thus copped their ninth consecutive conference title. The heavier Jacks moved almost at will against the smaller Blue Jays. Ellis Allds was the first to score. Streblow hit pay-dirt on a line plunge, Thompson caught a pass in the end zone, Bliese plunged over center, and Hoenisch tallied on a 10 yard end run. The Blue Jays were heavily outweighed by the giant Wausau line, and also at a disadvantage by the loss of two star backs through injuries.

WAUSAU 25 - EAU CLAIRE 0

In their last showing of the season, the Lumberjacks performed at their full strength, whipping Eau Claire's Old Abes 25 to 0. The scoring was started by Streblow who raced 89 yards after slashing through left tackle. Dave Bliese scored in the fourth quarter after the ball had been advanced to the Eau Claire goal line. Allds scored in the third quarter on a tricky reverse play which carried him 47 yards. Gene Kittel did his scoring in the last moments of the game when he caught Streblow's 18 yard pass and ran four yards into the end zone.

Football . . .

During the 1947 season, the Lumberjacks made 106 first downs against 49 by opponents. They made a total of 3,621 yards against 2,167, for an average of 402 yards per game against 241 yards by opponents. The longest run from scrimmage was made by Rollie Streblow for 89 yards. The longest punt return was 41 yards by Streblow. The longest kickoff return was by Allds for 32 yards. The longest run on an intercepted pass was

72 yards by Kittel. The longest completed pass was Streblow to Thompson for 35 yards. The longest punt was by Bliese, the ball traveling 55 yards in the air and 22 yards on the ground.

Three Wausau gridgers were placed on the conference all-star team. Jerry Scheel was named all-conference center, Rollie Streblow, halfback and Charles Berndt, guard.

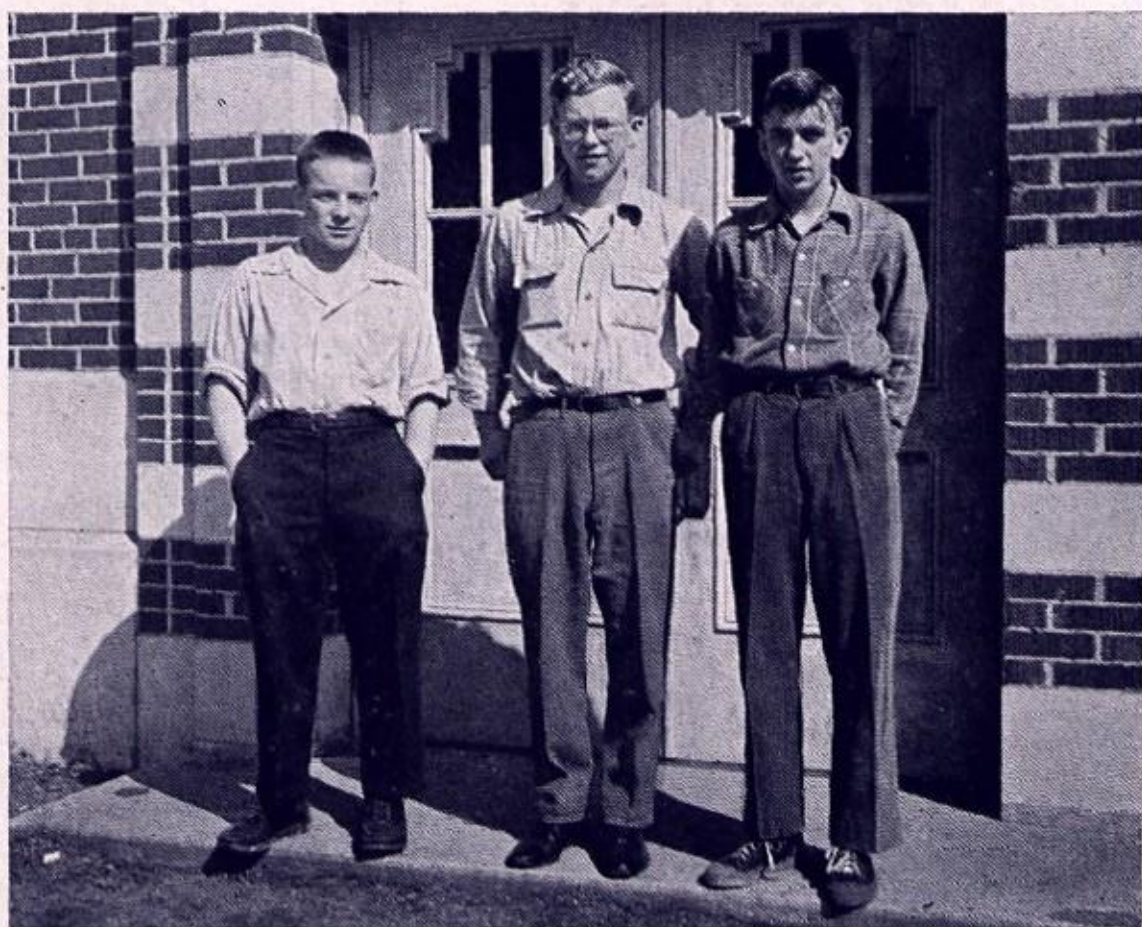

Don Kiey, Jim Pope and Dave Bliese were placed on the all-conference second team. Ralph Luedtke, Jerry Jelinek, Alois Zank, Gene Kittel and Ellis Allds were given honorable mention.

In addition, our high-scoring halfback was chosen as a member of the 33-man all-state team by the Wisconsin High School Coaches Association, which is composed of coaches, officials and sports writers in the state. Rollie will play for the North team in the annual all-state football classic held next August at Madison.

Football Managers . . .

And here we have the men behind the scenes. These are the boys who keep our football juggernaut rolling. Their job is keeping our team's uniforms looking bright and shiny, keeping the field in condition and, sometimes, keeping the boys themselves in good condition. They go along to all the games to take care of our equipment. If anyone deserves a large share of credit, our football managers certainly do.

Last fall the Lumberjack football league was again started. This is a league which contains such schools as Wittenberg, Tomahawk, Mosinee, Stanley and Medford, in addition to the "B" teams of Wisconsin Rapids and Wausau. In competition, our Junior varsity came up with four wins against two defeats and finished the season in third place. Wausau made ninety points in six games against fifty-seven by opponents. The longest run was made by Schave against Rapids for 78 yards. Schave also returned a punt 60 yards against Stanley. It was Schave again, when the speedy halfback returned a Stanley kickoff for 81 yards. The longest punt was made by Marceau for 57 yards against Stanley. The longest forward pass was 23 yards, from Marceau to Mattison against Medford. Next year, most of the boys who played on the "Bee" team this year will be advanced to the varsity. Their experience with the JV's will help them to further Wausau's football greatness.

Again this year the Wausau High school basketball team came out of the Wisconsin Valley title race in a good position. The Jacks took a well-earned second place when Wisconsin Rapids and Rhinelander tied for the championship. Our record of conference play this year was eight victories against four defeats. In addition, we met five teams from other conferences, winning

from two of them and losing to three.

Wausau was the only school in the Valley to beat Rapids, one of the top teams in the state.

The Jacks scored a grand total of 654 points during the season for an average of 39 points per game. Our opponents scored 636 points against us in seventeen games.

Dahlke Is Top Scorer In Wisconsin Valley Conference

Joe Dahlke, Wausau's sharpshooting guard, led all players in the Wisconsin Valley Conference in scoring this year. Joe racked up a total of 186 points in twelve conference tilts to pace the conference scorers. His total was composed of 75 field goals and 36 free throws, only a few points short of the conference record. Joe led the Lumberjack scoring in all games this year, but his best scoring game was against Merrill here on January 16, when he scored 29 points. At the close of the season Joe was almost unanimously voted a guard position on the all-conference squad.

Our Junior Varsity came through with an admirable record this year. The "Bees," coached by Mr. George Biwer, travel with the varsity and play the "B" teams of our opposing schools. Our future stars racked up ten victories against only two defeats in conference play. In addition, they played five non-conference games, winning two and dropping three.

Many of the games were real thrillers, ending in a one or two point victory. Our biggest victory was against Mosinee, the score being 26-10.

The "Bees" racked up a grand total of 370 points against 348 for the opponents.

During the next year these boys should develop into fine basketball material. Just watch them star on the varsity in 1949.

Co-Managers

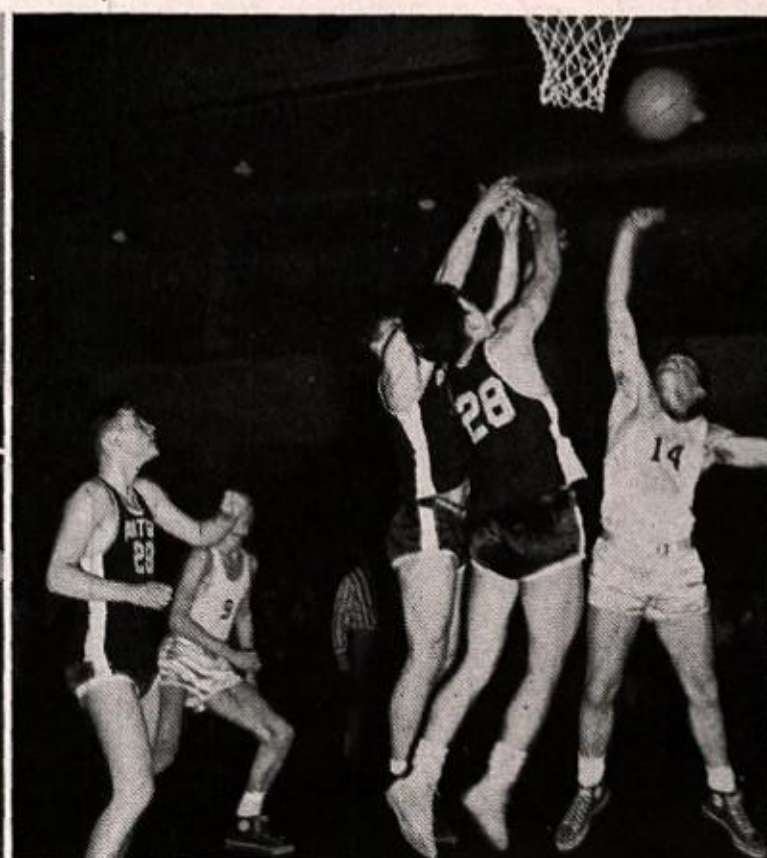

Although the team actually won the games by their play on the basketball floor, there are many other factors which add up to a victory. Two of these factors are our '47-'48 basketball managers, Chuck Berndt and Chet Mieska. These two fellows had the important job of keeping all the team equipment in order. They took care of the game uniforms, saw to it that the balls were in good shape, and went along to all games to supervise the equipment. To them belongs a large share of our team spirit and success.

With spring comes our thinclad musclemen. Of course I'm referring to our track team. Coached by Mr. Stuart, the boys have a five meet schedule to fill. This year we have a squad of approximately fifty boys, many of whom are lettermen from last year. The squad has transferred its practice sessions from our athletic field to Marathon Park, which they travel to by bus each night. Our toughest foe this year will be Rapids with many returning veterans. Our roster of returning lettermen is marked by such familiar names as Don

Kiey who competes in the dashes and burdles, Walt Schoonover, a dashman, Rollie Streblow who throws the shot and discus and Pat MacDonald who won his letter as a pole vaulter.

Boxing

In February, boxing coach Allan Gabrilska sent out a call for all boys interested in boxing. This call was answered by about fifty husky candidates, many were former Golden Gloves winners.

Training drills were begun and soon elimination bouts were being held.

On Saturday, March 20, the semi-final bouts were held in the Central school ring. This cut the number of Golden Gloves contenders down to about twenty.

The final bouts to determine our Golden Gloves

winners were held on Saturday, March 27. Ten bouts were staged and ten boys won their Golden Gloves. The winners were: Roger Woods, Harold Swanson, Ralph Stieber, Jim Eschenbach, Ken Spaude, Rollie Streb-
low, Arnold Bauman, Bill Zinser, Donald Chaignot, and Earl Brandt.

After the finals, a boxing team was formed to meet the ringmen of other schools. Under the leadership of Captain Rollie Streb-
low, our team met and defeated Merrill on April 9. On April 17, the team met Mosinee in the Central school gym.

HOCKEY SQUAD

After a lapse of more than four years, ice hockey came back into the Wausau High school athletic picture this year. Hockey was discontinued in 1942 because of difficulties in transportation. This year, however, interest in the speedy sport was revived. The job of coaching our candidates was given to Mr. Crowley.

We had a terrific record to uphold. Wausau hockey teams hadn't lost a conference game since 1934, when Marshfield set us back 4 to 3. This

string of conference victories has given Wausau the conference championship for eight consecutive years — from 1935 through 1942.

During these years the high school built up the finest hockey equipment obtainable. As a result, this year's team was outfitted like a team of professionals. The boys began practice shortly before Christmas and opened their season against Eagle River. They played a total of six games, winning four and losing two.

Stones Brooms and Ice

Under the direction of Mr. Harry Johnson and the eight curling fans shown on this page, a high school curling league was organized this year.

Due to this sports-writers' ignorance, an explanation of this ancient sport can be given only by Mr. Johnson. Anyway, eight teams were formed and games were played each week in the curling sheds at Marathon Park. As a result, this league has become a part of our regular sports program and will be continued in future years.

Baseball . . .

Spring is said to be the season of, among other things, baseball. This is certainly true at WHS where the great American sport is really taken seriously. Mr. Maxwell took over the coaching chores this season and is rapidly proving his worth as a coach. On March 25 the call went out for candidates and almost immediately sixty-five earnest candidates appeared.

Coach Maxwell has many of last year's stars back for another season. Among them, are Joe Dablke who turns in a terrific performance on the mound, and Dale Schultz who operates behind the plate. Also back are such familiar players as Buck Stachowiak, Gene Kittel, Bud Lemke, and Henry Christianson.

As this book goes to press there are seven games scheduled, with three more open dates not yet decided upon. All home games will be played under the lights at Athletic Park.

Racketeers

The first call for tennis candidates to report was issued by Coach G. A. Rosenbauer on April 7. Twenty-two men answered the call and entered the varsity elimination tournament. The four winners of this tournament represented the High school in interscholastic meets.

Two lettermen returned from last year's squad in Gil Stordock, who won the Valley B singles title, and Dick Stevens. Veterans Phil Montross and Dave Ruder were lost through graduation.

At this early writing the tennis schedule hasn't been drawn up yet but tentative meets are being planned with Merrill, Stevens Point, Wisconsin Rapids and Shawano. The Valley Conference meet was again held at Wisconsin Rapids on May 8.

Row 1: Steffen, Grande, Miskowski, Staves, Habn, Beilke.

JUNIORS

These are the Juniors who find time for intramural basketball. More power to them.

Row 2: Behling, Britten, Nass, Kasten, Habeck, Kass, Lemke.

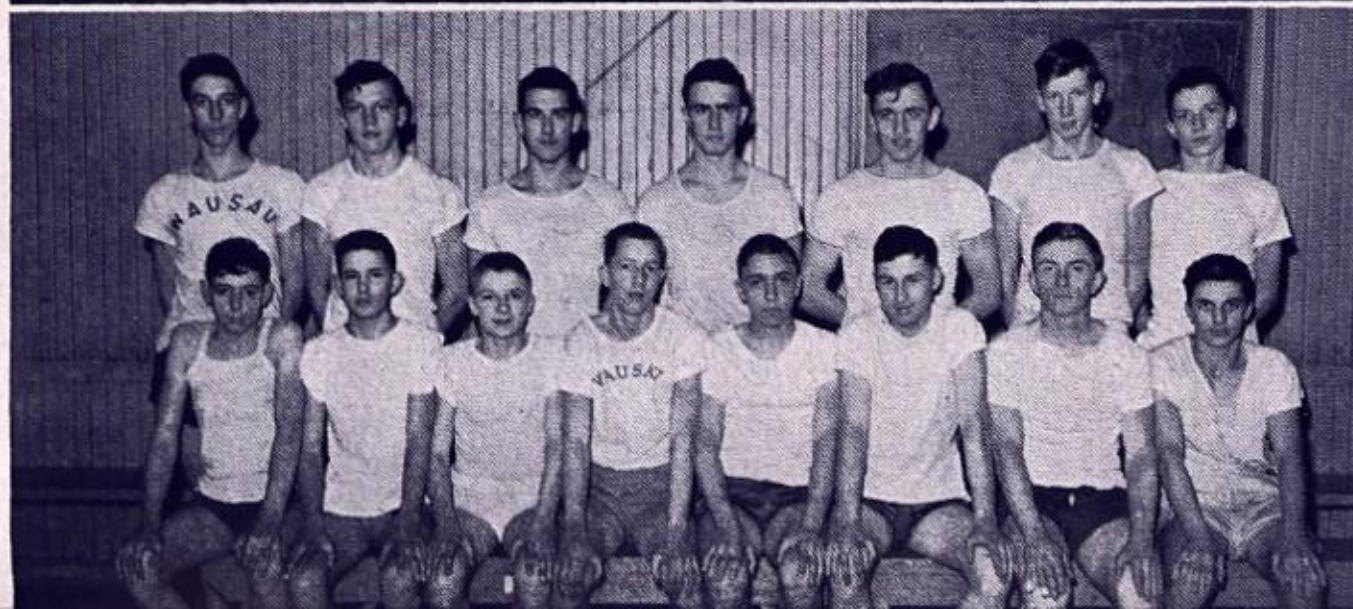

Row 1: Rosentreter, McDonald, Nelson, Eschenbach, Cormack, Edstrom, Zinzer, Schave.

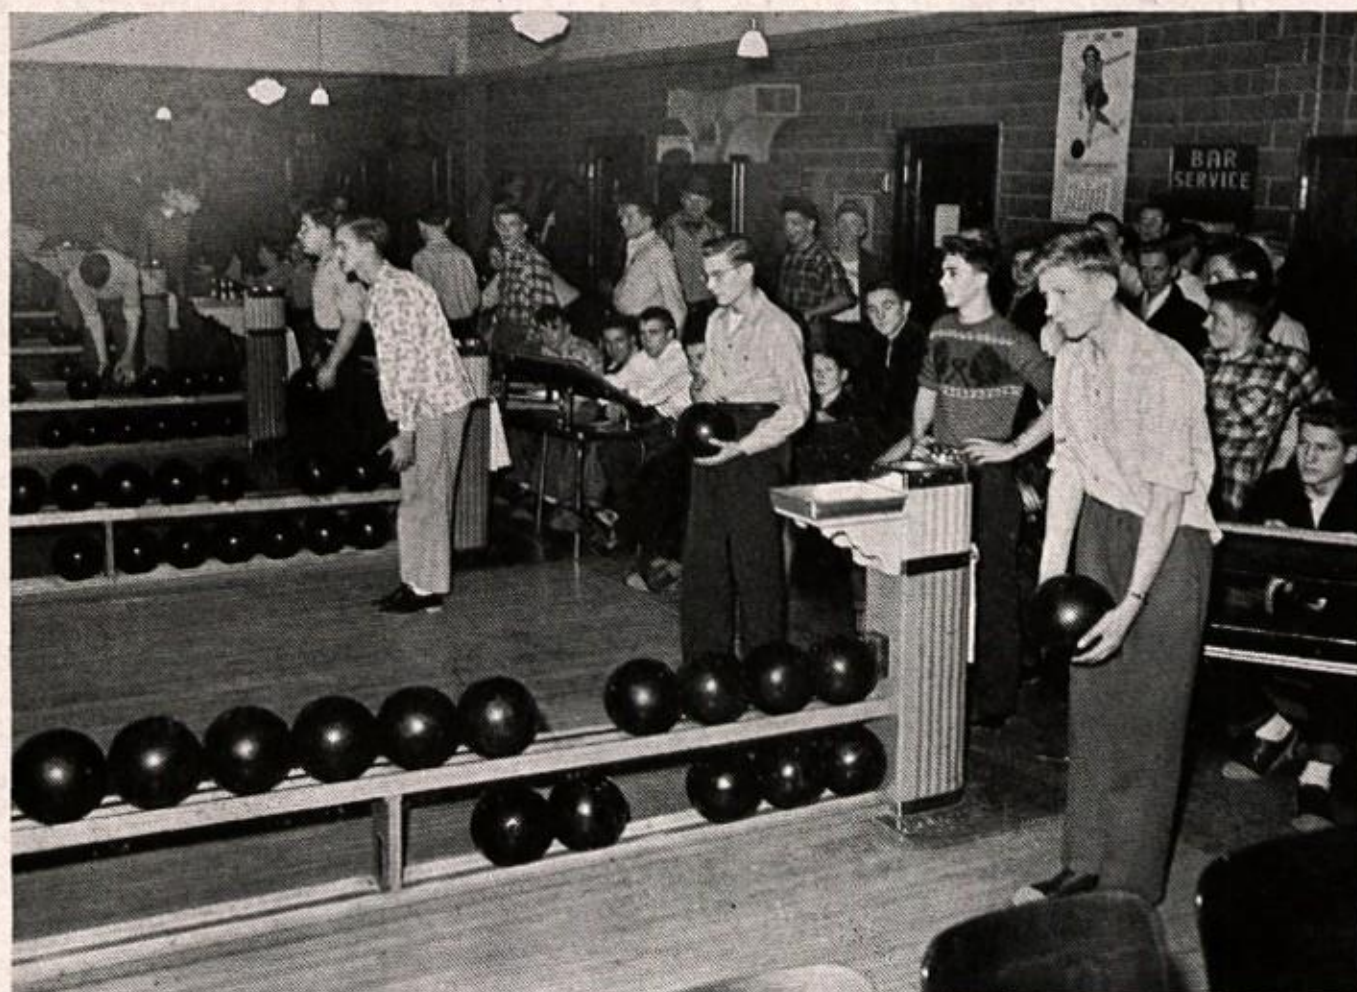

SOPHOMORES

And last but not least, the Sophomores, our future stars.

Row 2: Schultz, Roeder, L. Schaefer, Reetz, Jehn, Kiel, McEachron.

Row 1: Tanck, Olson, Emmerich, Schentze, Koppa, Bielke, Waldinger.

Kegling Stars

Bowling

With December came the bowling season at W.H.S. Under the direction of Mr. Gabrilka. The league this year was divided into six teams, which consisted of some six bowlers on each team.

The keggers used the Bowling Center alleys every Monday night after school.

The two top individual bowlers were Arwin Streblow and Lee Glasel.

Intramural Sports

Just after school began last fall, a call was sent out for boys interested in playing intramural tennis, horseshoes and golf. The call was answered by twenty-five boys who were interested. Tennis matches were played during the noon hour or after school while horseshoes were played after school. The golfers played their matches on the American Legion Golf course after school.

INTRAMURAL TENNIS, GOLF AND HORSESHOES

Our fair maidens develop . . .

ARCHERY—

Robin Hood and his men had nothing on the girls of WHS when they get out their bended bows and arrows.

HORSESHOE—

This is one activity that really develops the arm muscles. Of course, you often hear, "Well, it was almost a ringer."

TENNIS—

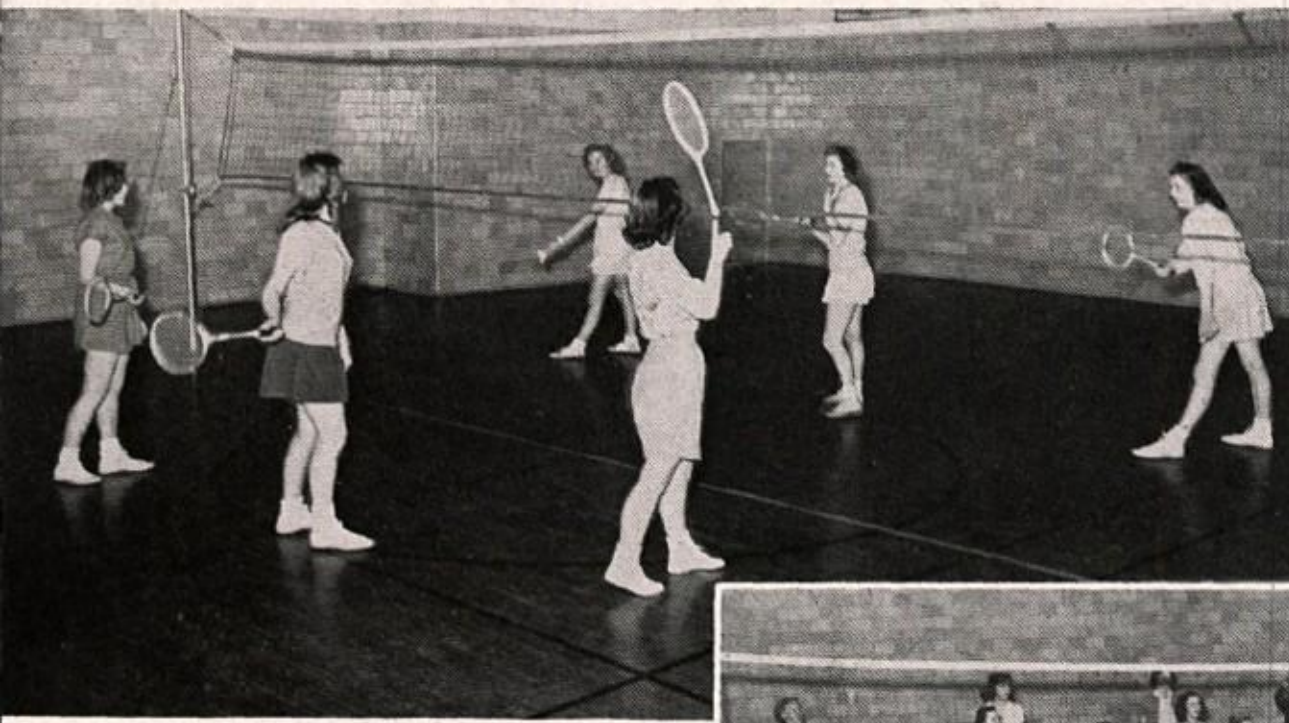

Although the ball may be terribly hard to hit, and other people may be better than you, tennis is really a great sport.

SOFTBALL—

When the ground is neither too soft nor too hard, the girls go out to swing their bats and practice their pitching.

athletic ability, health and sportsmanship

BADMINTON—

When the weather gets cooler, and work outside is impossible, it's then that the net goes up and the bird starts flying.

VOLLEYBALL—

This game, being one of the most popular of those played, can really be noisy when an exciting tournament is being held.

DANCING—

"Swing your partner, promenade all" is a familiar phrase for about three weeks in the gym classes while there is folk dancing.

JUMP ROPE—

Of course prize-fighters do this to keep in shape, but in the gym classes it is done just for fun.

Girls' Athletic Association

Please see the index for your name!

The Girls' Athletic Association is composed of about 210 sports-minded girls. Throughout the year there are volleyball, basketball, and tennis tournaments. The girls also participate in individual activities in the hope of getting a pin or a large "W". At the meetings, under the direction

of Miss Lydia Becker and Miss Betty Jayne Larson, they organize tournaments, discuss various games, and have outside speakers. During the year, five large parties are held. One of the purposes of the organization is to foster a feeling of good will and good fellowship among the girls of WHS.

Home Nursing

Reading left to right: Ostroski, Eggebrecht, Schwarz, Wolman, Wendorf, Umnus, Peters, Moersch, Abbots, Hoekstra, Bunch, Gnirk, Kleinbeinz, Zahrt, Mueller, Clapp, Gaedtke, and patient Brandt.

Future Nurses of America

Twice a week during one semester, in place of taking active gym, the senior girls go down to room 106 for their home nursing class. The girls learn things which will be useful in their future life as well as their present day life. Many

helpful things are taught about mental, physical, and public health. The girls also learn simple but very useful methods of taking care of patients. The first semester Mrs. Hoekstra was in charge. Mrs. Schreiber replaced her the second semester.

The cheerleaders have done a wonderful job of cheering us on to our many victories this season. The Pep Band has also been very helpful in making these games more interesting, by playing and performing during the halves.

This year the cheerleaders have been composed

of nine students: Anne Doyle, Carol Petrick, Marge and Mary McKoen, Ray Knippel, Don Hahn, Jerry Staves, and Joyce Dablke, head cheerleader.

Under the direction of Mr. Stanley Woods these students have introduced to the school several new cheers which proved a great success.

JAMIE FRANKE

Although sandwiched between the seniors and sophomores, this lively Junior Class is in the spotlight a good share of the time at W.H.S. That their studies do not suffer as a result of their many and varied extra-curricular activities is well evidenced by the high scholastic standard which they have maintained throughout the past two years of their high school career.

The Junior Prom is the big event of the year for everyone, but to these juniors it represents the successful culmination of a busy school year. The necessary and lengthy planning for the prom was accomplished by the following capable class officers under the supervision of faculty adviser

Mr. George Johnson — John Holmes, president, Bonnie Erdman, vice president, Jamie Franke, secretary.

Members of this class of 1949 are outstanding in many activities. The following have been selected as tops in their field by their advisers: journalism: Harold Leland, Herb Braun, Godfrey Gattiker, Jamie Franke, and Jill Bump; forensics: John Holmes, Kent Herath and Jamie Genrich; vocal music: Julianne Brabender, and Sylvia Chapman; athletics: Ellis Allds, Charles Berndt, and Alois Zank, instrumental music: Elmer Collins, June Roblf, and Patricia Moore.

Dear Miss Hulbert, I have had fun in home room and I have enjoy our early morning talks. I hope

SENIOR CLASS OFFICERS

President

JERRY SCHEEL

Vice President

RICHARD WILKE

Secretary-Treasurer

ALICE PETZOLD

WILKE, PETZOLD, SCHEEL

The seniors of '48 have come a long way since that day three years ago when we entered W.H.S. as bewildered but eager sophs. During these years in which the frenzied bobby sox era was replaced by the more sedate period of the "New look," we have grown up.

There are many things which we'll never forget about W.H.S. — the football and basketball games and hops, the traditional snake dance which somehow has managed to survive and the climax of the year, Junior Prom. However, we have more than torn scorecards and pressed corsages to bring back the happy memories. There are all the wonderful friends whom we have made, both in fellow students and in the teachers whom have untiringly guided us.

Most important, perhaps, we have gained an education — that intangible asset which prepares us to take our place in the world and gain a successful life. By education, we mean more than the dates we learned in history or the translation of Caesar. It includes the valuable training we

got in the school play, in the Glee club, or on Brock's squad. For it was in these activities that we developed our personal interests while serving our school. We are proud to present the outstanding seniors in extra-curricular activities — the "Senior Aces"; Athletics — Joe Dahlke, Walt Schoonover, Roland Streblow. Forensics: Eugene Gilbertson, Jim Skinner. Dramatics: Anne Bissel, Donna Decker, Helen Humphrey: Publications: Bill Krueger, Glenn Semmens, Joan Moersch, Dave Pieper. Vocal Music: Alice Petzold, Susan Roebrs, Gordon Thorpe, Jean Winnie. Instrumental Music: Jack Baerenwald, Bob Garske, Bill Plier, Eleanor Siewert.

Student Council, American Problems Classes

Send Bundles To Needy In Europe

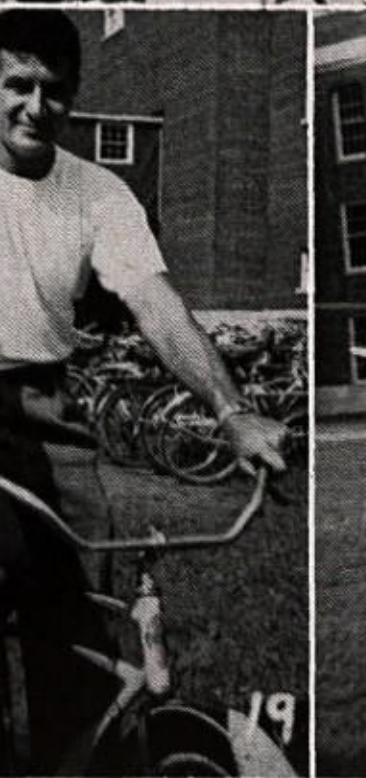

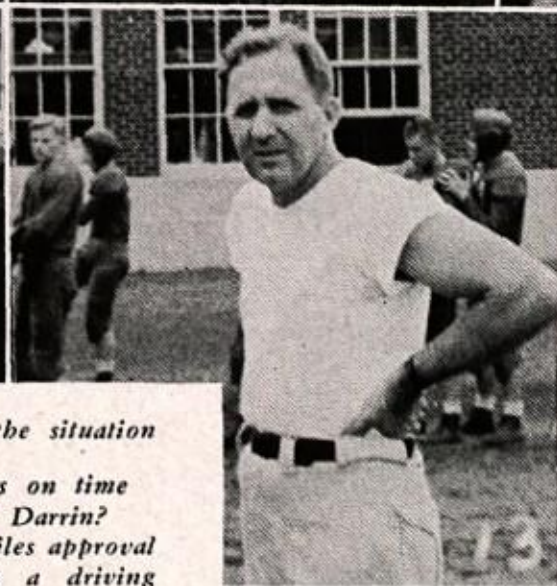

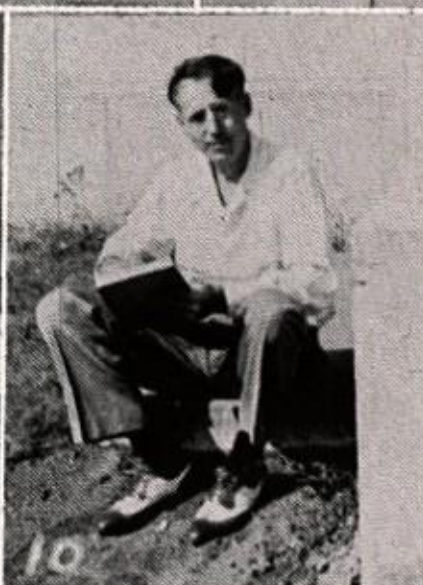

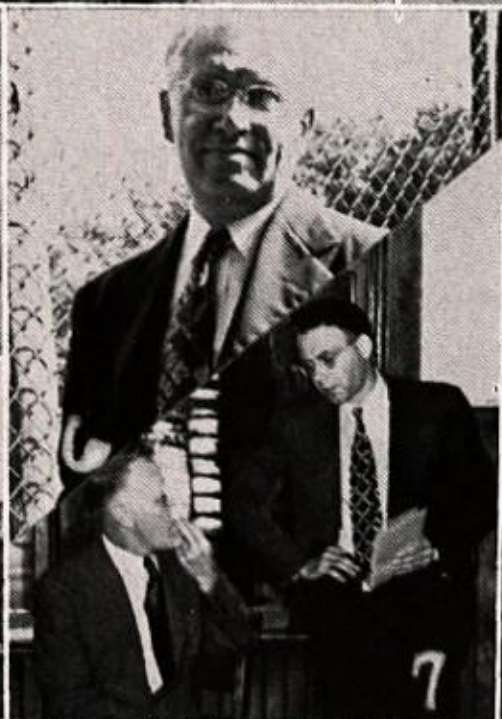

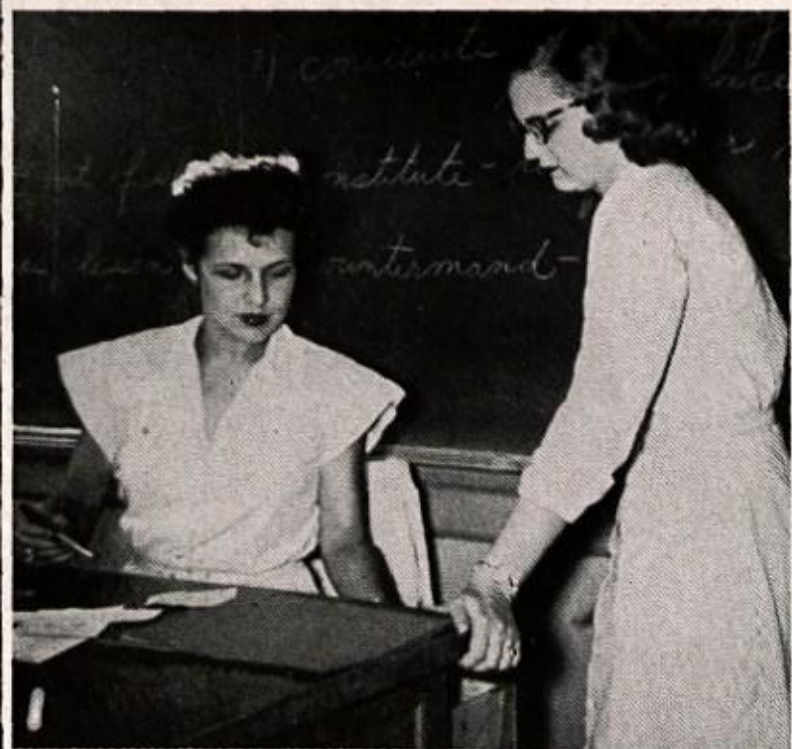

Responding to the Christmas spirit prevailing in the halls and classrooms of WHS, the student body brought in articles which made many bundles for Norway. In addition to huge amounts of clothing brought in, there were more than 100 bars of soap, sewing needles, pencils, thread, pins, gum, scissors, buttons and other miscellaneous items. On one morning during the drive each student was asked to contribute at least two pieces of notebook paper. At this request, approximately 3000 sheets of paper poured in. Then too, money was collected in home rooms for mailing purposes. The floor of the girl's gymnasium was filled with piles of clothing. For one week student council representatives packed various sorts of boxes. Some packed family boxes, others packed boxes for teen-age girls, and still others packed their boxes for boys. Many a blister was produced in the process of wrapping and firmly tying the boxes. After an impressive Christmas program with the bundles stacked high in the form of a ship the boxes were shipped to Europe. Special praise goes to Donna Mae Kraimer, Bob Zimmerer, June Peters, and Mr. Roeske who made special efforts as well as the entire student body.

Dear Miss Halbert,

It was grand of you to come with us over the weekend. I certainly am going to miss school next year.

I must have been an awful pest in your Latin class. When I think of the things I did, it actually embarrasses me. Good-bye!

Leah Brechner

Ah! . . . there it is!

It has taken four years of high school work but you have been a diligent worker, a seeker of knowledge and success is now yours.

Congratulations

. . . cherish that roll of paper — your diploma — and properly analyze its worth to you in the world you will now enter as a worker or an advanced student seeking additional knowledge to better fit yourself for this specialized age . . . The decision is yours — so, search your mind and select the proper course to follow — it means your future — your life.

Where Your Friends Work

Each year a large part of Wausau High school's senior class joins the home office staff of Employers Mutuals. These newcomers find old friends already here and quickly make new ones among congenial associates. Opportunities for a good start in the modern business world are numerous with Employers. We have veteran employees throughout the country who are Wausau alumni. Many of those going directly on to college are also planning an Employers career. Our Personnel staff is glad to counsel with young people interested in insurance work now or later.

High School Graduates Get Scholarships Worth \$4,225

Wausau high school's scholarship program, generally accepted in recent years to be the most extensive in Wisconsin and one of the finest in the mid-west high schools, reached a new peak this year, with awards to outstanding students of the class of 1948 totaling \$4,225.

As the result of the addition of two scholarships, one for \$100 and the other \$500, the latter divided equally among five students, this year's awards total about \$600 more than was given to the honor students of the class of 1947. In addition there are two other scholarships this year on which no cash value was placed.

Presented Individually

Presentation of the awards was made by representatives of the various donor organizations and individuals and by individual donors at the school's sixty-fifth annual commencement exercises last night in the Central school auditorium.

One of the new scholarships, the Nelson Ploetz commercial scholarship, established this year by a local man, provided \$100 awards to five of the graduates who have demonstrated interest in furthering their education in business. They were Dona Mae Kraimer, daughter of Mr. and Mrs. August Kraimer, 810 Thomas street; Beverly Fell, daughter of Mr. and Mrs. Ervin A. Fell, 518 Nina avenue; Arwin

of \$100 in the Elks lodge Constitutional contest went to Jack Skeels, son of Mrs. Joseph Lajanne, 2005 Fifth street. Virginia Bloch, daughter of Mr. and Mrs. William A. Bloch, 1132 S. Seventh avenue, copped the second award of \$25 in this competition. The medal given by the Wausau chapter of the Daughters of the American Revolution to an outstanding student in history and citizenship went to Marjorie Krueger, daughter of Mr. and Mrs. R. G. Krueger, 1206 Eighth street.

Jack Skeels won his second honor by being selected as the winner of the \$150 Mueller's Jewelry scholarship. An award made by the students, the Hi-Y scholarship, went to Harold Kreitz, son of Mr. and Mrs. Henry Kreitz, 810 N. Fourth avenue. He received a \$100 prize.

Towle Scholarship

The Archie Towle Memorial scholarship, which consists of a complete training course of 50 hours of pilot flight instruction, or the amount of flight time necessary to acquire a certified CAA private license, was presented to Charles Horgen, son of Mr. and Mrs. I. S. Horgen, 1025 Graves avenue.

Robert Zimmerer, son of Mr. and Mrs. John G. Zimmerer, town of Stettin, who was acclaimed later by E. H. Boettcher, school principal, for his activities as president of the Wisconsin High School Student Council association, received the Henry Brush Huntington emblem, which has been awarded annually for more than 20 years to the "outstanding boy in the senior class." The emblem is a gift of Miss Antoinette Huntington, 515 Franklin street.

A parallel award, to the "most outstanding girl," went to Anne Bissell, daughter of Mr. and Mrs. Walter H. Bissell Jr. She received the Kate Landfair emblem, which is given annually by Chief Justice Marvin B. Rosenberry of the state supreme court, who formerly lived here.

Legion Post Awards

American Legion athletic awards, given by the Montgomery-Plant post, went to Roland Strehlow, son of Mrs. Helen Strehlow, 1107 S. Fifth avenue; Gerald Scheel, son of Mr. and Mrs. Henry Scheel, Schofield, and Jerome Dahlke, son of Mr. and Mrs. Joseph Dahlke, 810 Harrison boulevard. Strehlow had 175 points and received the gold medal. Scheel with 165 points and Dahlke with 160 points received silver and bronze medals, respectively.

In addition to the above scholarships, which were awarded to the graduates at the commencement exercises, other honors won by members of the graduation class were summarized in a talk by Boettcher, which followed the presentation of the above awards.

CLEAR LAKE - May 28

Dear Miss Hulbert

I wonder if any of us will be the same again after this week-end - the "Lost Weekend" this is! More fun! It taken me back to all the other camping we have done & the fun we have had. I wish we could go back & do it all over again. I also recall with a great deal of pleasure that End III class in Room 252. I wish HH could have seen in more of your classes; but seeing as I wasn't, I can only relish the memory of that class. I shall always remember you as a friend. The best to you always.

LANDFAIR EMBLEM—Anne Bissell, one of two students of the Senior high school class of 1948 who maintained a straight "A" average, received the Kate Landfair emblem, which is given annually to the outstanding girl in the graduating class. Also selected as one of the two student speakers for commencement, she is the daughter of Mr. and Mrs. Walter H. Bissell Jr., 901 McIndoe street.

Now

gy will be full. Then the pennies will be taken to a real savings bank. There some of them will probably be invested in electric utilities securities because banks prefer sound business-managed electric companies as a dependable investment. Thus the little boy has a personal stake in the electric power industry.

Practically every American has — that's the way our works. It's called capitalism and it's a good system. It helped eat, and it will continue to provide opportunity for little boys

Miss Sulbert,

I must say I surely have enjoyed
being in your Latin class. I shall most
likely be back to take third-year Latin
when I am a senior.

Luck and good fortune to one of my
favorite teachers.

Dear Miss Hulbert,

I have enjoyed being in your Latin Class this year and even if I didn't act like it in class I did learn alot this year. Good luck always and I hope I will see you next year.

HUNTINGTON EMBLEM—As a result of being selected the outstanding boy of the senior class, Robert Zimmerer, son of Mr. and Mrs. John G. Zimmerer, town of Stettin, received the Henry Brush Huntington emblem at commencement last night. The award has been made annually for more than 20 years.

My dear Patin Teacher,
We really enjoyed having you
as my teacher, and I only hope you
will be as nice to my little brother
next year! It's sure you will cause
us to be very fond of teaching and in
returning.

Have a nice vacation and we
be seeing you next year.

A Pat Allevany
many thanks

Dear Miss Hulbert,

Arnt we having a grand time
up here at Donna's cottage? It
was really nice of you to come
up here with us. We all
appreciate it so much. You
will remember Leah and I did
being the first one's up. Joan
always wanted to go in
swimming, Sue was trying to
finish her book, Dale got the
most sun burn and Donna
was "the little mother" with her
soda and aspirin! I hope you
enjoy your stay at Madison this
summer. Good luck always,
Lorraine Zastrow

Ad magistrum meum Latinae,

As usual I suppose I've gotten
the cases wrong. I've enjoyed being
in your Latin class. If it weren't
for Caesar's last campaign, I think
I would have enjoyed it more.

I've decided to take German but
wish you could be my teacher. I
really think that you are the fairest
teacher I've had this year. Thanks
a lot for trying to teach me a
little appreciation of Latin. If I
don't possess this it is not because
you haven't tried. Bonam fortunam
habete vobis.
Vale.

tua discipula Latinae
Elizabeth Murphy

Miss Hulbert -
I really enjoyed seeing in your
last letter and on looking forward
to it again next year. Best of
wishes of happiness -
Sincerely
Zoraine

Dear Miss Hulbert
I have been nice room
seeing in your home room
for the past two years.
I enjoyed it very much &
will remember for a long
time after I leave school
for my staff

As the sun begins its descent toward the western horizon and the day's work draws to a close, the portals of this mighty temple of knowledge swing wide to free the multitudes of

wearv students. To those of you who are underclassmen we say "See you next year." To our seniors, the Class of 1948, we bid a fond farewell, and our best wishes go with you!
